GLUTEN FREE MENU

Most of our menu is likely to be suitable for guests following a gluten free diet.

Exceptions include oat milk and sourdough bread, though gluten free alternatives will be provided.

MADE AT ROSKHILL HOUSE

We bake all breads (except Gluten Free) and all cakes, pastries and tarts – using 100% regenerative flours.

Our flock of rescue hens provide most of the eggs we need.

We “smoke” the carrots and make the vegan ricotta cheese.

We make the marmalades and blinis too.

We forage for wild garlic – from just up the lane.
